### Thinking about a NEW machine?

*Save time and money*

- ✓ We configure new machines and setup for you with Windows Updates and other tweaks to make it run better
- ✓ Using a laptop? Make sure you get one with an SSD Drive and to have a cooling pad with the system
- ✓ Great software you should be using include ESET Antivirus, Malwarebytes Premium, and either Carbonite or iBackup (Which you can go through us for a discount since we are a reseller for all these items)

*Give us a call today or if you are in the market for a new PC or questions about your current system, need virus protection, backup issues and much more!*
